We believe passionately in the advantages of educating girls in a single sex environment. Our outstanding staff are specialists in the way girls learn. We understand the challenges that modern women will face in their futures and our unique CLEAR learning programme equips them with all the skills they will need in order to thrive and be happy in the 21st Century. Our philosophy is that happy children are happy learners. Again and again, parents tell us that their daughter's confidence has soared thanks to our secure and nurturing environment, and we are proud of our reputation for achieving excellence through care.
