Their story starts now...

School Overview

Myddelton College is a day and boarding school for boys and girls aged 4 to 18, situated on the edge of the picturesque market town of Denbigh, North Wales. The town is immersed in history, and the stunning 37-acre Myddelton estate is at the foot of the remains of the 13th-century fortress of Denbigh Castle, creating an atmospheric and tranquil location for your child's education.

Campus

Founded	1859

- The Duke of Edinburgh Award, recognised by universities and employers, fosters character development, confidence, and community engagement

ACADEMIC ACHIEVEMENTS

Ranked among the Top 200 co-educational independent schools in the UK, Myddelton College takes great pride in supporting every pupil to achieve their potential and progress onto exciting futures. This year, 80% of A level grades were awarded at A–C, a reflection of the dedication, resilience, and ambition of our students across a wide range of subjects.*

Our leavers have secured places at leading universities both in the UK and abroad, with almost a third progressing to Russell Group institutions. They are now studying a breadth of competitive courses, including Chemistry, Physics, Mathematics, Computer Science, Law, Psychology, Business, Economics, and the Arts. Beyond university, pupils have also embraced alternative pathways: two were awarded prestigious apprenticeships, and one student achieved a football scholarship to study in the USA.

These diverse successes highlight the individual strengths and aspirations of our pupils, as well as the tailored guidance and personal support that ensures every student at Myddelton finds the right pathway for their future.

University of Oxford

Joining Myddelton in year 10 was the best decision my family ever made. I had a clear pathway from the moment I joined the school enabling me to develop my personal statement ready for applications to the top Universities. I thoroughly enjoyed all of my studies at Myddelton. I'll always be grateful to Myddelton College for helping me to achieve my place at the University of Oxford. **- Coby Chan**

University of Oxford

My teachers and boarding staff at Myddelton were so supportive and caring and have helped me every step of the way in my academic journey. I think studying English Language here at Myddelton was the subject that really sparked my interest. I feel fully prepared for my degree course at the University of Oxford. **- Penelope Johnson**

University of St Andrews

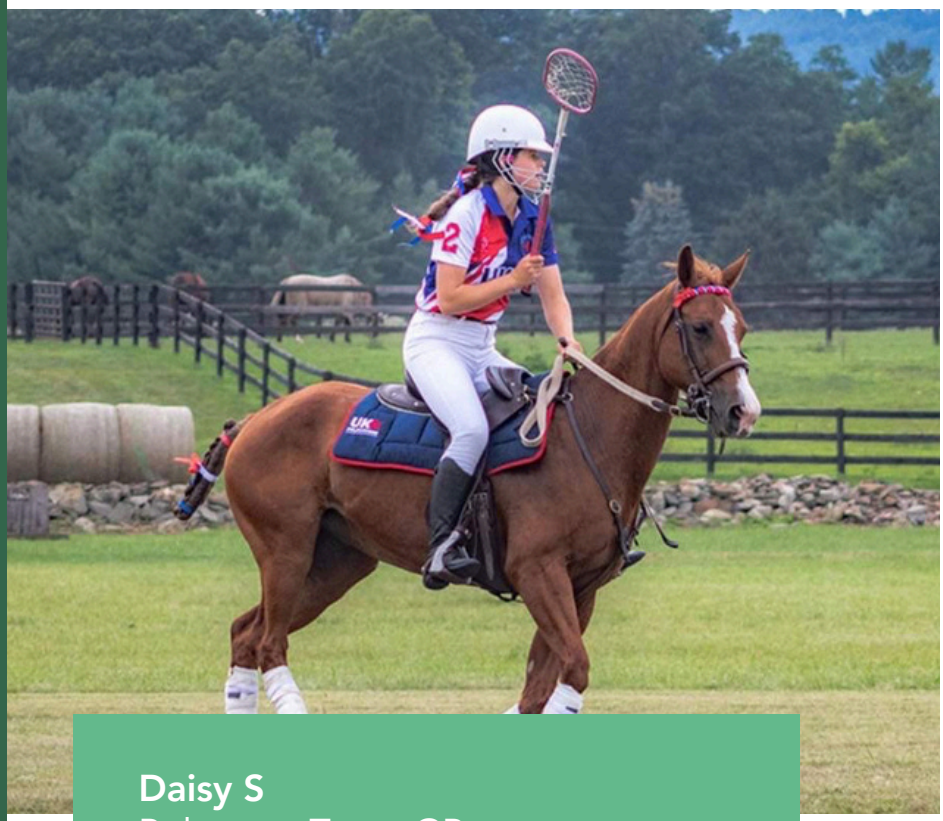

I will always be thankful for the unwavering support and care that Myddelton provided me with. I am incredibly excited about studying Physics at University of St Andrews.
- William Griffiths

University of the Arts, London

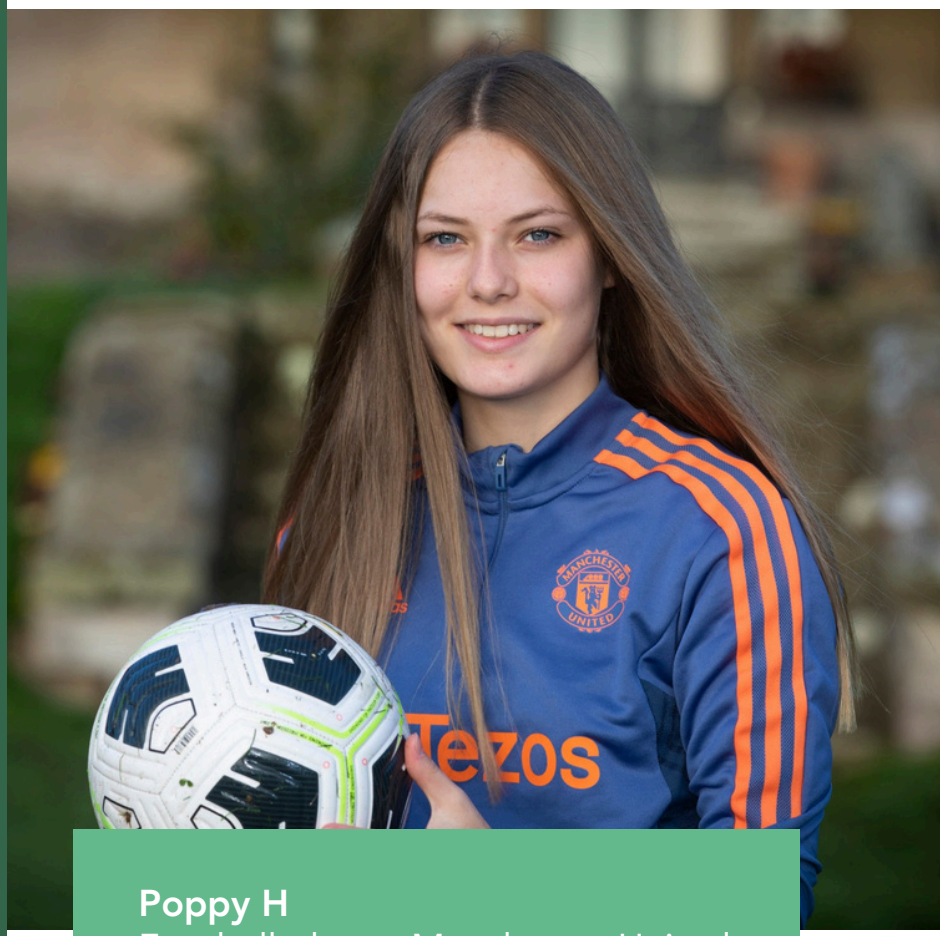

Attending Myddelton College has been a transformative journey where I've not only grown academically but also discovered the true meaning of personal growth and endless opportunities. **- Clementine Mealor-Prichard**
